Your child's lunch must have his/her first and last name on it. Please put your child's lunch in the marked coolers in front of the office. Please include an ingredient list or signed note so we can be 100% certain foods are NUT FREE or were not processed in a facility that also processes nuts. We do not allow soda, candy, or popcorn. All round food (grapes, hot dogs, meat sticks, ect) must be cut into quarters, as they can be a choking hazard when left whole.
