

Ms. Wheelahan

Classroom News MWF am

January went by really fast. We started focusing on letters each week. We did drip drop painting, animal sponge painting, and comb painting in art. In math, we played a game of "ants on a blanket" and "caterpillar count." In music we learned some new songs and explored bean bags. In science, we explored color matching and dug for dinosaurs.

We have been keeping track of all the words that start with the letter of the week. The children are getting really good at pointing our words that start with those letters

Grandparents day was a lot of fun. I had a great time meeting all the grandparents who could attend. We had a nice chapel with the grandparents, then had snack and did a craft. My grandma was even able to attend which was great.

Dates to remember:

- ☺ Monday 2/13
Friendship Party
- ☺ Friday 2/17
NO SCHOOL
- ☺ Monday 2/20
NO SCHOOL

Friday Share Days:

- 2/3 - something "E"
- 2/10- something "F" or blue
- 2/24- something "H" or oval

This month...

The theme for February is "**More than counting**". The shape is the **oval** and the color is **blue**. The Bible verse for February is, "**and lead us not into temptation**", our value is **Forgiveness**. Our Friendship party is Feb. 13th. We will be passing out valentine cards in class. **Please do not address the valentines, just have your child sign their name on them.** There are 7 friends in our class. **It is very important that you send CARDS ONLY. Please no treat bags and NO candy.** We will be exploring numbers this month. We will read several books about numbers and we will be incorporating them in every learning center. Letter recognition will continue this month with the letters E, F, G, H, I/J.

I will also be starting Winter assessments to prepare for Parent/Teacher conferences that happen in March.

Please read Mrs. Lundbohm's newsletter for more important details regarding February

Blessings- Ms. Wheelahan
